

Lecture 4: Neural Network Toolkits

André Martins

Deep Structured Learning Course, Fall 2018

Announcements

Homework 1's deadline is today.

Homework 2 is out (due in 3 weeks).

Deadline for project proposal: October 17 (next week)

- List of project ideas are now in the course webpage!
- You need to turn in a 1-page proposal (use NIPS format) explaining:
 - The problem you propose to solve
 - Which method(s) you are going to use
 - Which evaluation metric and which data you are going to use
- Team size: 2–4 people (use Piazza to find team-mates)

Today's Roadmap

Guest lecture: Erick Fonseca.

- A practical tutorial on Pytorch.
